DETAILED ACTION

1. The Appeal Brief filed 25 April 2005 has been noted and made of record.

Response to Arguments

2. Applicant's arguments, see pages 11-14, filed 25 April 2005, with respect to claims 1-29 have been fully considered and are persuasive. The rejection of claims 1-29 has been withdrawn.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

The claims of the instant application are directed toward a diagnostic tool that downloads software when two security signatures are compared and match. While the references have shown that diagnostic tools and comparing security signatures are both well known in their respective arts, the Examiner could not find any motivation, teaching, or suggestion to combine the two technologies, and therefore the claims are novel and non-obvious.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christian La Forgia whose telephone number is (571) 272-3792. The examiner can normally be reached on Monday thru Thursday 7-5.
